## Greetings from Activity Office

We are writing this letter the day before Thanksgiving, and we have so much to be thankful for. We want to thank each volunteer who has stepped up as a Ranch Hand to make our community such an amazing place to live and be a part of. We are so very grateful for our management team that supports us, forgives us, and helps us in our many wonderful endeavors. We want to thank our friends who laugh with us, play with us, and make our lives better. We want to thank our families who are always there, no matter what.

December is an incredible month to celebrate Hanukkah, Christmas, A New Year, and to celebrate one another. It is the perfect month to pay it forward. I think being Santa's helper is a chance for each of us to bring smiles and hopes to others. So, if you are taking the time to read this, please know how much we appreciate our opportunity to serve our community with love, friendship and entertainment. We wish only the very best of health, happiness and warmth to each and every one of our Orchard RANCHERS.

What is red, white and blue at Christmas Time? .....

(a very sad candy cane)

Happy and warm holidays,

Carolyn and Susie

# Library News

Hi, my name is Linda Hagg. I have taken over the library stewardship. A group of people that wanted to make your search easier, have organized the shelves by author. We are working on signage to further help.

It will be extremely helpful if you can put your returned books on the cart outside the library. Books are respelled at least every other day.

If you would like to volunteer to re-shelf books, please contact me at [lindahagg54@gmail.com](mailto:lindahagg54@gmail.com). Thanks for your support.

## ENCLOSED PATIOS AND CARPORTS, SUNSCREENS, AND NOW GARAGE DOORS!

Enclosing your porch or carport gives you privacy and shaded comfort, but also creates a barrier to wind, rain, leaves and insects while increasing your living and entertainment area.

**Newly approved... garage doors for both Orchard Ranch North and South parks.**

My garage door is constructed from the same matching architectural grade aluminum material used in my other framed patios and carports. The door is a fully spring loaded, counter-balanced system that makes raising and lowering nearly effortless. It also includes a retractable screen door in the center to go in and out without opening the entire door. As always, each project must be approved by Orchard Ranch Staff, I provide the required drawing to simplify your submitted request.

- Cut your energy bills up to 20%
- Reduce furniture, drapes and carpet from fading from harmful UV rays
- Let in the breeze, keep out the bugs
- Protect your privacy, can see out but others can't see in
- Flame resistant material for safety
- Easily installed and easy to clean
- A variety of attractive colors to choose from.

My name is Thomas Petersen, I'm licensed and bonded, and my work is throughout Orchard Ranch to see.
