Greetings from Activity Office

March is an exciting time with warm weather, flowers and trees in bloom and warm, sunny days. March is well known for Women's History month. Rosalind Franklin made a profound discovery on the structure of DNA molecules. We all know that our DNA can help us discover our genetic code for our ancestry, ethnicity, health and disease risks, wellness and physical traits. All that knowledge thanks to Rosalind Franklin. March 20 is also known for our spring equinox, where the sun shines directly over the equator!

March 4th we have an ACTIVITIES MEETING in the Round House at 1pm. Bring your ideas and suggestions.

We have filled March with many great activities! On Saturday, March 7, we have a card making class for free at 11:00 in the RH. Please sign up at the RH office. At 5:00 we will be having fun with Karaoke and Carolyn in RH. On Saturday, March 11 at 5:00, we will enjoy our first Wine and Cheese tasting Social. Please sign up in the RH to bring either a favorite wine or a favorite cheese. We are celebrating St. Patrick's Day with our popular Baked Potato Bar. Please sign up for the topping you would like to share. That will be on Tuesday, March 17, at 12:00. On Saturday, the 24th at 5pm, Double Up Duo is back to entertain us with their great music! Tickets are on sale at RH. E Bikes have become very popular, so we are providing an opportunity to try them out on Sunday, March 29th, from 2-4 at the South Sales Office Parking Lot. Please give them a try!

Why is everyone so tired in the month of April?

(Because they have had such a long March!). Shorten your March by joining some of our fun and friendly activities.

Carolyn and Susie

Library News

Hi, my name is Linda Hagg. I have taken over the library stewardship. A group of people that wanted to make your search easier, have organized the shelves by author. We are working on signage to further help.

It will be extremely helpful if you can put your returned books on the cart outside the library. Books are respelled at least every other day.

If you would like to volunteer to re-shelf books, please contact me at lindahagg54@gmail.com. Thanks for your support.

ENCLOSED PATIOS AND CARPORTS, SUNSCREENS, AND NOW GARAGE DOORS!

Enclosing your porch or carport gives you privacy and shaded comfort, but also creates a barrier to wind, rain, leaves and insects while increasing your living and entertainment area.

Merely approved... garage doors for both Orchard Ranch North and South parks.

My garage door is constructed from the same matching architectural grade aluminum material used in my other framed patios and carports. The door is a fully spring loaded, counter-balanced system that makes raising and lowering nearly effortless. It also includes a retractable screen door in the center to go in and out without opening the entire door. As always, each project must be approved by Orchard Ranch Staff. I provide the required drawing to simplify your submitted request.

- Cut your energy bill up to 20%
- Reduce furniture, drapes and carpet from fading from harmful UV rays
- Let in the breeze, keep out the bugs
- Protect your privacy, can see out but others can't see in
- Flame resistant material for safety
- Easily installed and easy to clean
- A variety of attractive colors to choose from.

My name is Thomas Peterson, I'm licensed and bonded, and my work is throughout Orchard Ranch to see.
