# Library News

Hi, my name is Linda Hagg. I have taken over the library stewardship. A group of people that wanted to make your search easier, have organized the shelves by author. We are working on signage to further help.

It will be extremely helpful if you can put your returned books on the cart outside the library. Books are respelled at least every other day.

If you would like to volunteer to re-shelf books, please contact me at [lindahagg54@gmail.com](mailto:lindahagg54@gmail.com). Thanks for your support.

1. **You are what you do**, not what you promise you'll do.
2. **No one will realize your value** until your absence is felt.
3. **Don't fight for someone to love you**; fight for someone who already does.
4. **Never think that a person** of peace is not skilled at war.
5. **Just a minute of anger**, lust, or greed can destroy a lifetime of hard work.
6. **Any lesson you refuse to learn** will keep coming back until you face it.
7. **The longer you stay** on the wrong train, the more expensive it becomes to return home.
8. **Fear will never stop death**; it will only ruin what's left of your life.
9. **You will never heal** in the same environment that made you sick.
10. **Nothing is worse** than avoiding your full potential.
11. **Real wealth** is having no health problems.

- All items are available to BORROW for FREE!
- Residents may keep the items as long as necessary.
- Items must be returned clean and ready to go to the next resident in need.
- There will be a form to sign that acknowledges the volunteer group and Orchard Ranch are not liable in case of an accident while using anything checked out.
- We also have basic necessities, such as toiletries, in emergency situations.

We also can provide a resource sheet for all free available resources that are offered in Prescott Valley/Dewey.

The process is very simple. Please contact this number, 623-225-8135 and leave a message. The volunteer will quickly call you back and set up a time to meet you at the Pottery Barn behind the Sales Office.

## ENCLOSED PATIOS AND CARPORTS, SUNSCREENS, AND NOW GARAGE DOORS!

Enclosing your porch or carport gives you privacy and shaded comfort, but also creates a barrier to wind, rain, leaves and insects while increasing your living and entertainment area.

Merely approved... garage doors for both Orchard Ranch North and South parks.

My garage door is constructed from the same matching architectural grade aluminum material used in my other framed patios and carports. The door is a fully spring loaded, counter-balanced system that makes raising and lowering nearly effortless. It also includes a retractable screen door in the center to go in and out without opening the entire door. As always, each project must be approved by Orchard Ranch Staff. I provide the required drawing to simplify your submitted request.

- Cut your energy bill up to 20%
- Reduce furniture, drapes and carpet from fading from harmful UV rays
- Let in the breeze, keep out the bugs
- Protect your privacy, can see out but others can't see in
- Flame resistant material for safety
- Easily installed and easy to clean
- A variety of attractive colors to choose from.

My name is Thomas Peterson, I'm licensed and bonded, and my work is throughout Orchard Ranch to see.
